Dear brethren in Christ,

First of all, we want to give thanks to God for His faithfulness to us at all times. We praise and glorify His Holy Name, since He has provided everything necessary to continue the ministry that the Lord has entrusted to us.

Secondly, we would like to share with great joy that, after going through a difficult season in which we saw little interest from people toward our ministry, our Lord, in His great mercy, opened new doors during the year 2025.

Many churches allowed us to promote the ministry, and we also had the opportunity to participate in several missionary experiences with both national and international missionaries.

We also saw fruit in the area of literacy, as God opened doors in seminaries and social ministries.

In conclusion, we have clearly seen the Lord's support in the ministry He has given us. We are convinced that the Lord is with us and will continue to be with us.

HIGHLIGHTS 2025

PROMOTIONAL ASPECTS

Several internal trips were carried out to promote the ministry together with international missionaries, especially to the department of Huehuetenango, in areas of need, visiting different villages and churches, such as the community of El Sauce and the Emmaus Church.

Likewise, due to administrative changes at Salem Church in San Juan Sacatepéquez, the ministry was promoted once again before the entire congregation, along with an emphasis on the importance of reading the Word of God for all Christians.

LITERACY TRAINING

We are grateful to the Lord because we saw the fruits of the promotional activities in 2024, with new training sessions at the Chimaltenango Biblical Seminary and in the Educating for Life ministry.

ADMINISTRATIVE ASPECTS

The process of obtaining legal status for the Literacy and Evangelism ministry is still underway with the government. During 2025, an additional signature required for the process was completed. We pray that it will be finalized soon.

BIBLE DISTRIBUTION

At the beginning of the year, as part of our partnership with the Educating for Life ministry, Bibles were distributed to the teachers of the school that belongs to this ministry.

In addition, we had the opportunity to visit and distribute Bibles in the community of “El Orégano”, where we were told that although many people were Christians, they did not have the resources to obtain their own Bibles. God provided abundantly so that this activity could be carried out with them.

TARGETS FOR 2026

We have seen the Lord's hand upon us in the year 2025. For the year 2026, we hope that the Lord will greatly bless us in the following areas:

- Personal (individual) Training: we want to reach individuals who can help their own families and friends in the literacy ministry.
- Continue training volunteers in churches and ministries: We would like to focus specially in social aid ministries, since this opens more opportunities and ensures that the ministry remains free.
- Distribution of Bibles in low-resource areas (where it is difficult to obtain a Bible), while there is freedom.
- Continue preaching about the importance of reading: we would like to implement workshops on the importance of reading the Word.
- Street evangelism with Bible distribution.
- Reopen some literacy schools that were closed due the pandemic.
- Complete the legal registration process of L&E Guatemala: This will allow us to operate legitimately before the government and any institution that wishes to support us, while also strengthening transparency and accountability in the management of the ministry's resources.

ITEMS FOR PRAISE & PRAYER

We cannot let this year pass without thanking the Lord for His mercy toward us and for encouraging us again after a difficult season. However, we also recognize that there is still much work ahead, and we need the prayer support of our brothers and sisters in Christ. Below are some items for praise and prayer:

PRAISE

- Because He has opened several doors for training in the literacy ministry and continues to open many more.
- For the opportunities we have had to promote the literacy ministry in different churches throughout the country.
- For the progress in the process of legally establishing the ministry in Guatemala.

PRAYER

- For our protection during the various trips we make to promote the ministry.
- That God would open people's hearts to receive the literacy ministry in churches, seminaries, and other ministries.
- That God would provide volunteers who are willing to be trained.
- That the Lord would speed up the legal registration process for the LEG ministry.

WORD OF GRATITUDE

We would like to express our sincere gratitude to all our donors for the prayer and financial support they have given us, which encourages us to continue in the ministry and the work of the Lord.

We also thank our team of volunteers and our board of directors for their hearts devoted to the Lord's work, for their dedication in fulfilling their responsibilities, and for the love with which they serve.

Finally, we thank God for His faithfulness, for opening doors for the ministry, and for sustaining us in His work until this day. With His help, we will continue working with diligence and dedication for His glory.
